## **HTS Ontario**

## FACTORY-FABRICATED CHILLER AND BOILER PLANTS

#### **Outdoor Enclosed Plants**

- Chillers
- Boilers
- Cooling Towers
- Pump Packages

## **HUMIDIFICATION**

#### **Steam Humidification**

- Direct Steam
- Gas-Fired
- Electric
- Steam-to-Steam

## **AIR PURIFICATION**

- Electronically-Enhanced, High-Efficiency Filtration
- Ultraviolet Germicidal Irradiation (UVGI)
- Sorbent Ventilation Technology<sup>®</sup> to improve Indoor Air Quality, Allowing the use of IAQP for Reduced OA Volumes.

### **HTS CONTROLS**

**Building Automation Systems (BAS)** 

- Unlimited Equipment Choices
- Optional Controls Package

**Atomizing Humidification** 

• Ultra-High Efficiency

CRAC Air Treatment

CONTROL TECHNIQUES

oise Control

**Plasticair** 

ALERTON

## **HTS Controls**

Our full-scale Building Automation Systems department provides a seamless integrated solution for diverse systems and devices, regardless of the manufacturer.

## **HTS SERVICE AND PARTS**

We provide service, repair, and replacement for all commercial HVAC systems. As the official Daikin OEM Parts Distributor, we offer competitive pricing and provide timely solutions for all your Parts & Aftermarket needs.
